

Your local team

Big picture - PS 920 Pete Jelbert. Top left to right - PC 4810 Reece Breslin. PC 37 James Monohan.
PC 1090 Amy Stokes. PCSO 6090 Matt Kiff. PCSO 6086 Natalie Goodall.

What matters to you

- Speeding.
- Anti social behaviour.
- Vehicle crime.

What have we done

- We have organised a number of speeding operations utilising handheld speed guns We have also requested the mobile speed enforcement van to attend various locations on the area to assist us.
- Identifying and targeting the individuals causing the anti social behaviour. Passing their names to the council to start the incremental approach.
- Raising awareness of technology to prevent vehicle theft, such as Faraday bags.
- Increasing patrols in areas where anti social behaviour is being reported to us.

News

One of the priorities you said were important to you is speeding. The neighbourhood team have been out on the Harborough north beat with a hand held speed detector enforcing the speed limits on the main roads around the area

Here they are conducting speed checks on the main A6 in Kibworth.

When motorists are caught exceeding the speed limit, they are sent letters through the post advising them about their speed. We prefer to educate motorists. We have a saying in the police, "today's motorists is tomorrow's witness".

~

A day in the life of one of the neighbourhood team, PC Reece Breslin:

Today I asked where you wanted me to patrol... 🚓

Louise from Kibworth and Charlotte from Great Glen - I have attended and spent some time driving around. It was good to see everything all in order 👍

I then got called to a loose sheep on the A47. Managed to get him back in the field. Seemed a nice guy 🐑

I carried out some more patrols and some crime enquiries before seizing a vehicle being used with no insurance and questionable tyres 🚗 This will result in a fine and 6 points.
