Dear Colleagues,

RCC Membership

The Rural Community Council (RCC) is a local charity advising, supporting and representing rural communities across Leicestershire & Rutland.

We promote impartial information and advice to community organisations as well as a range of consultancy services to support community led projects and activities.

Working with national government, local authorities and other key partners, we also represent and champion the needs and priorities of the many rural communities we support.

Over the next year we will continue to offer specialist support, advice, information and resources to those organisations subscribed to our membership service.

Your subscription will help the RCC to continue its work to support rural communities and will provide you with the following membership benefits:

- Access to information, advice and support from specialist RCC Officers
- Access to the members' area of the RCC website
- News and information updates via email
- Free and unrestricted access to over 40 Community Building Information sheets
- Access to the Charity Commission approved model documents and hiring agreement templates for Community Buildings
- A platform to showcase local projects through the annual RCC Achievement Awards

We will also continue to work closely with local, regional and national partners to highlight the issues and priorities of rural communities in Leicestershire & Rutland and to ensure that our members are represented and have a strong collective voice in influencing policies, strategies and decisions.

To support the RCC, please complete the enclosed form and return it to us along with your annual subscription fee of £50. The RCC can still accept cheques, or you can pay us electronically, our details are on the joining form.

Enclosed is a copy of RCC Annual review for 2016-17.

We look forward to receiving your support and in turn supporting you and your community.

With very best wishes.
