What matters to you

- Speeding.
- Anti social behaviour.
- Vehicle crime.

What have we done

- We have organised a number of speeding operations utilising speed guns. We have also requested the mobile speed enforcement van to attend various locations on the area to assist us. You can view this on the road safety website by following this link, which is regularly updated. [Camera van enforcement hours and offences - Leicester, Leicestershire and Rutland Road Safety Partnership \(speedorsafety.com\)](https://www.speedorsafety.com)
- Identifying and targeting the individuals causing the anti social behaviour. Passing their names to the council to start the incremental approach.
- Increasing patrols in areas where anti social behaviour is being reported to us.

News

One of the priorities you said were important to you is speeding. The neighbourhood team have been out patrolling the villages and discussing the issues with residents. This from Facebook.

Your North Harbs beat officers Amy and James have spent the morning patrolling around the A47 side of the beat mainly around the Thurnby and Tugby villages. This was followed by an early afternoon appointment with Medbourne Chair Parish Councillor where we discussed speeding hotspots in the village, some time was spent conducting speed checks and happy to report a large % of road users complied with the speed limits. Expect to see us again in the neat future. Stay safe!

The neighbourhood team will come to community events, and coffee mornings. If you'd like us to attend, drop us a line. The team posted this.
