Dear Alison,

Please find enclosed a quotation for the village mowing and strimming of Tur Langton.

As you will see both myself and Anthony Chesterton have decided to run the business more economically to try to maintain prices and quality of work/value for money. Anthony runs 4 Counties Ground Maintenance and I run Leicestershire Gardens. As we live on either side of Leicestershire, we have split to concentrate on the works nearer to one another. (More work and less travelling).

It would be very much appreciated if you could let me know at your earliest convenience if you require Leicestershire Gardens to undertake the proposed works and if so when you would like us to commence.

Apologies for not getting a last cut in, but the snow caught us out and then we unfortunately had a break in at the lock up in North Kilworth where we had a van stolen with numerous tools and keys to other vans pinched.

Wishing you a Merry Christmas and a Happy New Year.

Kind Regards,

Tom Cooper
